## PARENT TEACHERS' ASSOCIATION (PTA)

Parents' involvement with the child is essential for overall development of child. In order to give a platform to the parents to meet the teachers and talk to them about the child's concerns and make queries regarding the school and their child, the Parent Teachers' Association has been formed in Sunbeam Academy Knowledge Park.

With the PTA the parents realise what goes into the working of a school, the problem faced by it and how they can be overcome with the little co-operation and participation by parents. The Parent Teachers' Association indirectly or directly helps improve the life of students not only in the school but also at home.
